Education

2017 - 2019

M.Sc

Tripura University

Jantu Deb

Frontend Engineer

Work Experience

FREETEXT AI - Frontend Engineer

April 2022 - Present

- At FreeTextAI, I integrated data analytics and visualization tools, significantly enhancing our dashboards' BI reporting and data interpretation capabilities
- I've worked on reusable internal component library, featuring configurable forms and tables, etc.

STUDY PATH (FREELANCE) - Full Stack Developer

2020 - 2021

- Designed a React-based internal content management dashboard and built a Node.js/Express REST API for mobile platforms.
- Managed and configured an NGINX server for a MERN stack application.
